

Dear Students,

Thanks for waiting so long.

The good news is we are going to provide “Internship Certificates” & “Project Completion Certificates” to all the paid students in this weekend or in the coming 2-3 days. We have reached the **FINAL PHASE** of the Internship program and we are initiating the **SUPPORT PHASE**, to support you till you reach your CAREER GOALS. This phase will be for the next 1 YEAR. The main purpose of the support phase is to support “**THE GoalStreet Heroes**”, until you reach your GOAL. You all are our Heroes, and thank you in believing us. Please complete the following activities which will complete your acceptance to enter into the “SUPPORT PHASE”.

- See to it that all your Team members have made the payments, as it will delay the process of release of certificates further, even if one of your team members has not paid.
- Get enrolled into the new website of <https://www.mygoalstreet.com/>, and fill your “Extended Profile”, which will make it easy to find you the **Best Stipend based Internships and JOB Opportunities**.
- Filling the feedback form which also will connect to our Instagram account, give video testimonials, and written testimonials. ****Please take time to give Rating to the whole program and also the feedback part, don’t hurry up****.
- **MOST IMPORTANT:** In the feedback form, we have included the “OPPORTUNITIES” section, where you need to select more than one skill or competency in which you are good at OR which you want to learn and work on. And **GOALSTREET will find you opportunities in those areas**. Please find the feedback form link below.

***** We are expecting the following from you before you receive the certificates.*****

continued 2nd Pg.

- We request **2-3 volunteers from each college**, to complete the above process smoothly and report to us, saying that all their college students have completed the above activities and the certificates of your college students will be sent at a time.
- All the certificates will be sent to the individual student's mail ID, once we get a list of students who completed the above process from the college volunteers.
- A separate **Internship Report** will be sent to individual students to their mails and also a "**Consolidated Internships Program report**" of students who have completed their Internships will be sent to the College at a very positive note so that it will assure your Marks and Credits for your Mini Projects.
- We need your support in these 3 days. We will schedule meetings with the College wise volunteers in these 2-3 days to clarify all your doubts and to issue your certificates without fail, As soon as possible.

NOTE: We require your help & support to finish all these activities in the given time, Students who are interested to volunteer, kindly call/Message to Rohith and give names. Contact Number : +91 91777 99015

Thank you.
